REMARKS

Applicants respectfully request that the above
amendments be entered since they are made to correct obvious
typographical errors and do not affect the scope of the case.

The amendment to the formulae on pages 3 and 4 adds
a line inadvertently omitted; it is obvious that the "H" below
the formula should be attached to the "C" at the 2-position
on the ring.

The amendment to the formula on page 5 is made to
conform the partial structure to that indicated by formula I.

The amendments on page 9 and 10 correct obvious
spelling errors.
